WORK EXPERIENCE

Full-Stack Developer

Freelance | Paris, France

March 2023 - July 2024

- **INFINY** : Developed a recruitment platform (Next.js, NestJS, Typescript).
- **Weenyd** : Developed a recruitment platform (Next.js, Strapi, Typescript).
- **HOURLAIL !** : Built the first version of a web application for a route planning platform aimed at facilitating low-emission travel without relying on planes or cars (Next.js, Sanity, Typescript).

Full-Stack Developer

Yumon | Paris, France

Sept. 2021 - Dec. 2022

Developed a web application integrating a marketplace and a fantasy card game for community and content creators.

- Developed the first MVP (Ruby on Rails).
- Developed the second MVP (Ruby on Rails, React.js, blockchain).
- Created the design system (Storybook) in direct collaboration with a designer (Figma).
- Built a responsive landing page (React.js, TailwindCSS).
- Developed the third MVP (NestJS, Next.js, Typescript, TailwindCSS, blockchain).
- Improved accessibility and SEO.
- Implemented unit and E2E tests.

Teacher Assistant

Le Wagon | Paris, France

Oct. 2021 - Nov. 2021

- Assisted and provided pedagogy during practical learning sessions for students.

Owner

Carrefour City | Évreux, France

Le Wagon, Paris, France

July 2021 - Sept. 2021

Bachelor in Retail Management

NEOMA Business School, Mont-Saint-Aignan, France

Sept. 2016 - Aug. 2019

OTHER PROJECTS

Co-founder of the label & collective Pygments Records

Paris, France

Feb. 2022 - Present

- Logistics and operational management of the association (10 members).
- Created the Pygments Lab project: promoting emerging artists and live video broadcasting during our events.
- Video production and editing.

7-month trip in Southeast Asia

Thailand, Laos, Cambodia, Vietnam, China

Oct. 2023 - May 2024

- Improved English skills through daily interactions with travelers worldwide.
- Enhanced open-mindedness and discovered new cultures.
- Took initiatives to step out of my comfort zone, taking risks and facing new challenges every day.
- Discovered new local technologies: QR code payment, WeChat, AliPay.

Football

Olympique de Neuilly | Neuilly-sur-Seine, France

2002 - 2010

- Played for eight years, including six years at Olympique de Neuilly.
